Financial Assistance

A family may request financial assistance by submitting the Financial Assistance Application and all supporting documents to the school principal before March 15, 2019.

Financial assistance is granted on a case-by-case basis with consideration for the amount of funds available.

A Financial Assistance Application is not considered until registration has been paid.

Financial assistance that has been awarded may be revoked if the student's tuition account becomes delinquent. In that case, the parent will be responsible for the full tuition account in addition to any costs associated with collection of the delinquent balance.

Extended Care and Incidental Expenses

All Extended Care fees and miscellaneous charges will be billed through the FACTS system.
